Welcome

From the ORNAC Conference Planning Committee

Welcome to the 26th Operating Room Nurses Association of Canada (ORNAC) National Conference, and to Halifax, Nova Scotia. We believe this year's conference theme: "Tides of Change, Oceans of Perioperative Excellence" signifies the ongoing change in Perioperative Nursing practice across this country.

Spend time visiting the Exhibits and see what's new and exciting, and applicable to your Perioperative practice. Take full advantage of the wonderful program put together by your National Conference Planning team. We have worked for the past 18 months to plan YOUR conference for YOU! Stop and say hello, as we would love to meet every one of you who has helped to make this conference a huge success!
