What has your Provincial Council done to recruit new members? Please share ideas to assist other Provincial Councils:

Have a facebook group that all members who are on Facebook are a member of. This allows several reminders for members to re-register for ORNAC

Individual branches encourage participation in ORNAC/N&LORNA

Promoting opportunity for National Conference attendance (N&LORNA sponsors members of 2 years or more to go; number of sponsored members is based on location and associated costs)

Reminder that provincial conference attendance/participation contributes to competency hours for licensure

Provincial union awards a leadership bursary annually; attending and participation in N&LORNA conference gives points towards qualifying for this bursary

PROVINCIAL COUNCIL CHALLENGES AND OPPORTUNITIES

Membership has been and continues to be a challenge. The change in registration process a couple of years ago significantly impacted membership numbers.

Having the re-registration date in the holiday season is a challenge because it is a busy time of year and registration gets forgotten or overlooked. Also, some members may have financial challenges at that time of year that may discourage registration

PROVINCIAL COUNCIL TOP 3 GOALS FOR 2018

1. Host a successful conference in September with at least 50% attendance

2. Increase membership by 10% by promoting the organization and encouraging participation

3. Have members interested in and attend the Atlantic Conference
