Subject: Communications with Vendor Companies

Greetings,

I am writing to you to identify an issue we hope you are able to help us with. In our efforts to contact companies regarding the various offerings from the Operating Room Nurses Association of Canada (ORNAC), regarding exhibits at conference, webinars, advertising, we consistently run into the issue of “dead end” email addresses. The representatives have moved on to either another position or another company altogether, and there is no further communication.

This has been an ongoing issue for us. Would you have a standard/consistently monitored email address that we could send to, or some other suggestion for continued communications regardless of the movement of personnel? If such an address is already available, could you please send it to info@ornac.ca

Thank you for your time and consideration of this issue. We look forward to hearing from you.

Warm regards,

Sharon Hollett RN BN CPN(C)
